### REMARKS

By this amendment, claims 1, 12, and 23 have been amended. Applicant submits the remarks below pursuant to the requirements of MPEP §714.16.

This amendment is necessary to correct an inadvertent error in claims 1, 12, and 23 that was discovered upon review of the above-referenced application prior to payment of the issue fee. In particular, line 9 of claim 1, line 9 of claim 12, and line 10 of claim 23 have been amended to change the text: "a second mobile device" to "the second mobile device." As the amendments merely correct a potential informality, no further examination is necessary. Claims 1, 12, and 23 are patentable, as amended, because the substance of the claim has been allowed and the amendments do not alter this fact. The amendment to claims 1, 12, and 23 were not presented earlier because the errors were not discovered until after the mailing of the Notice of Allowance on July 2, 2009.
